PRESS RELEASE

The Gillespie Group Joins Fuse Alliance

May 5, 2022 – Fuse Alliance, a member-owned organization of professional commercial flooring contractors, recently announced that [The Gillespie Group](#) has joined the network as a new member.

“The Gillespie Group is well known for exceptional product knowledge, reliable service, and high-quality finished projects that focus on increased performance, functionality, and longevity. They are a fantastic addition to our network,” said Geoff Gordon, executive director of Fuse Alliance.

Headquartered in Dayton, NJ, The Gillespie Group was established in 1985 as a one-truck carpet cleaning company and has since grown into a leading nationwide full-service commercial flooring company. The company installs a wide range of flooring solutions for the corporate, healthcare, education, hospitality, retail, and industrial markets. Their product offering includes all commercial flooring categories, including broadloom carpet, carpet tile, vinyl tile, ceramic, wood, sheet vinyl, rubber flooring, and specialty products. The Gillespie Group also offers maintenance, complex removal, and project management services.

“We joined Fuse Alliance to learn from this successful and talented body of flooring contractors and to partner with other installers to share our knowledge base. Being a Fuse member also allows us to provide quality continued professional development to our team members and enhance our relationships with suppliers. We’re looking forward to being part of the network,” said Kurt Fenchel, president of The Gillespie Group.

About Fuse Alliance:

Fuse Alliance is a member-owned organization of professional, commercial flooring contractors. With 130+ companies in 215+ locations across the United States and Canada, the organization’s member businesses represent approximately \$2.1 billion in sales and services. Fuse Alliance is made up of a unique network of flooring experts with a combined experience that spans flooring product knowledge, installation expertise, and a keen understanding of meeting the environmental requirements of today’s market. Fuse Alliance’s governing body is an executive Board of Directors made up of 12 member business owners. Through its member network, Fuse Alliance

is dedicated to serving the North American market and member businesses can be found throughout the United States and Canada.
