Fuse Alliance Announces Network Member and Supplier 2014 Awards

Laguna Niguel, CA [March 17, 2015] – Fuse Alliance, a member-owned organization of professional, commercial flooring contractors, announced its 2014 annual supplier and member awards. The awards were presented on March 5, 2015 at the Fuse Alliance Annual Conference, Launch Pad 2015, in Las Vegas, Nevada at the Hard Rock Hotel & Casino. Approximately 175 members and suppliers attended the annual awards presentation.

Awards were presented to suppliers in the three main categories: Best Product, Best Service and Best Support. Daltille captured this year's Best Product Award. The product category is awarded to the supplier who has a product collection with the most depth and range of collection, aesthetic and market acceptance, and an overall value of offering. Schönox was presented the Best Support award for outstanding local, regional and national support of members throughout the entire Fuse Alliance network. Finally, Tandus Centiva captured two awards this year - Best Service Award, which is presented to the supplier with outstanding customer service, systems and technology, and communication, and for the first time, captured Supplier of the Year.

For 6 years in a row, Johnsonite has won Supplier of the Year. With stellar customer service to the organization's members, Johnsonite received many kudos in the member surveys and finished a very close second.

In addition to supplier awards, network members were recognized for overall outstanding commitment to the organization. RGO Flooring, based in Canada, received the Outstanding

Communication award. Continental Commercial Floors, with locations in Ohio and Pennsylvania, received two awards including Outstanding Reporting and Follow Up and Exceptional Network Loyalty. Commercial Surfaces, Texas, and Pavilion Floors, Massachusetts received awards for Exceptional Network Loyalty. Flooring Systems with locations in Missouri received an award for Outstanding Commitment to Sustainability.
